2013 VILLAGE CHIPPING RULES

Dear Village Resident:

The Village of Eagle will continue its chipping services beginning the first Monday of April through the first Monday in October 2013. The Village of Eagle does **NOT** provide tree removal services; we only provide branch & limb clean-up services. The following rules for brush chipping services are effective immediately:

- Limbs may not exceed six (6) feet in length
- Limbs may not exceed three (3) inches in diameter
- Limbs **MUST** be piled between the curb & sidewalk at each residence and shall not be in a tangled pile (smaller limbs should be separated in an orderly fashion to allow Village employees to efficiently separate any larger pieces for purposes of chipping)
- **NO** piling of limbs on streets or sidewalks
- **NO** stacking of limbs around trees, signs or motor vehicles
- **NO** garden vegetable plants will be permitted
- **NO** entire trees will be permitted
- **NO** bags of leaves or grass clippings
- **NO** rose bushes or other thorns

The Village of Eagle reserves the right to reject any pile if it does not comply with the requests above or if the volume appears to include the limbs of an entire tree or trees. If these rules are not followed at a residence, chipping services will not be performed there. A red tag will be placed at any pile of brush that does not meet the fore-mentioned specifications. This will result in the owner/tenant taking responsibility for the disposal of their branch, limb or tree pile(s).

If there are any questions please contact us at the phone number above. Our office hours are Monday, Tuesday, Thursday & Friday from 7:30AM-12:00PM and 1:00PM-3:30PM. We are closed to the public on Wednesdays.

Thank you for your attention to this matter.

Sincerely,

Village of Eagle
