

EAGLE COMMUNITY GARAGE SALES

The tradition continues!

Friday, May 31, Saturday, June 1st & Sunday, June 2nd, 2013

The cost is \$2.00 to participate. The collected money is used solely for advertising in area newspapers. If you plan on having a participating garage sale, please pay the \$2.00 fee. We will have better advertising coverage if we have more participants. The \$2.00 fee also ensures that Bits & Pieces will pick up your **quality** leftovers *if* you so mark your return participation form.

We thank Bits & Pieces Thrift Store, located in Elmwood, for agreeing to pick up our **PAID** participant's unsold **quality** garage sale items. However, we request that you note on your return forms that you intend to utilize this service. Door-to-door pickup is made on Sunday, June 2, starting at 3 p.m. at the curb. If you do not mark the form, Bits & Pieces will not pick up your leftovers.

Bits & Pieces will NOT pick up any appliances, exercise equipment, computer hardware and console TV's. Bits & Pieces Thrift Store reserves the right to not pick up items they cannot sell at their store. *You will need to have your items ready at 3:00 p.m. on Sunday, at the curb -they will not come back later.* **NEW! IF YOU ARE DONE ON SATURDAY (6/1/13), Bits & Pieces will be available at Eagle Elementary from 4-6 p.m. on SATURDAY FOR YOU TO DROP OFF ONLY.**

Please Observe Whatever Parking Regulations Currently Exist or Might Exist for the weekend. Please also tell any of your friends to try to observe them too. We do not want to prevent any emergency vehicles from being able to reach any destination on that weekend.

BY FRIDAY MAY 24th, 2013, please turn your \$2.00 and participation form in to:

EAGLE STATE BANK	600 S 4 th Street	Phone: 402.781.2315
EAGLE GROCERY	545 S 4 th Street	Phone: 402.781.2325

You must turn this in to be included in the participant's map and included in the pick-up service. You can also mail your entry to: Eagle Vision, Inc., P.O. Box 347, Eagle, NE 68347.
